

2 sight seeing routes for pergler family sites in Bohemia From Praha

Route A: from Praha via Kladno - Karlovy Vary- Sokolov (direction Cheb)

Street number 6 (E48) about 147km, 2h 38 (Route planer Via Michelin)

Within the community of Sokolov the oldest Pergler-possessions are located: Look for the czech town names in the following list for the right location. Towns and castles often have the same name. Very small villages, you should find the right buildings easily (i hope...). Km in brackets mean the distance from Sokolov

- 1) **Kacerov (german name: Katzengrün);** Castle with pond and chapel (also a statue)
Castle is being renovated, nice frescoes, held by the family from 1480-1780, origin of my family branch.

- 2) **Sanctuary of Sv. Maria Chlum (Maria Kulm)** Pergler crypt, frescoe in the cloister (5 km)
- 3) **Litov (Littengrün)** Castle held from 1400-1780 (10km)

- 4) **Dasnice/Chlumeg (Perglas)** old Castle with the name Perglas and outbuildings, since the 14th century long time (10km)

Route B: from Praha via Strakonice- Horazdovice – Susice to Velhartice

Street number MO, R4 and 4, about 170km from Prague, 2h20

- 1) **Velhartice (Welhartitz)** famous castle, held since 1590-1618 and in the 18th century. Seat of my namesake Wolf Gotthard Pergler. Guided tours are offered.

- 2) **Mokrosuky Renaissance castle built by Perglers**, gold panning (10km)
today a tavern

3) Tetrasice/Zdoun old church with tombs, inscriptions (10km)
Epitaph of Wolf Gotthards!

This are the suggestions for some places, important places of family seats. Many greetings from my father Franz-Robert, who drew up this list for this occasion and took the photographs in former years.

We would like to hear from your expeditions afterwards!

I regret that we can't meet, but I hope, we can establish a meeting some day!

Many greetings,

Wolfgang
